Why trains crash CHECK CATALOG

Nova investigates how trains can be agents of such tragic destruction by dissecting the most infamous accidents, unraveling how the laws of physics stack the deck against trains, and exploring how creative innovations are bringing about a revival in train tech.

Wisconsin hometown stories : Door County. CHECK CATALOG

Historians, local citizens and experts tell stories of tourism, cherries, art, and geology that capture the history of Door County. Viewers will also explore ethnic heritages that still thrive across the land, its art history, and efforts to preserve both the land and the natural beauty that define one of Wisconsin's most charming places.

Get a Hold On It! New DVD List- Foreign Films

Young Black Jack Complete Collection CHECK CATALOG

The year is 1968, the war in Vietnam is approaching its zenith, and the counterculture movement that's been sweeping the world is engulfing Japan. While others are in the streets protesting, one young medical student becomes embroiled in a different kind of battle. As new medical technologies to save and extend lives come into play, the temptation for a surgeon to play God has never been so powerful.

Japanese

Staying vertical CHECK CATALOG

It follows filmmaker Leo, whose amorous encounter with a free-spirited shepherdess results in a baby he's forced to raise. Through a series of unexpected and unusual encounters, while simultaneously struggling to find inspiration for his next film, Leo will do whatever it takes to stay standing.
