Tara Rafferty (Amy Huberman, The Clinic) is living the good life: she's a successful Dublin lawyer engaged to a fellow solicitor. But Tara's life is turned upside down after she discovers her betrothed in bed with a colleague. Abandoning her wedding plans (and her job), Tara strikes out on her own, starting an unconventional private practice.

### The expanse. Season two

#### CHECK CATALOG

Hundreds of years in the future, humans have colonized the solar system. The U. N. controls Earth. Mars is an independent military power. The planets rely on the resources of the Asteroid Belt, where air and water are more precious than gold. Earth, Mars and the Belt are now on the brink of war. And all it will take is a single spark.

### The strain. Season 3

#### CHECK CATALOG

The war between the bloodthirsty strigoi and the remaining human survivors of New York intensifies in the chilling third season. Although Dr. Ephraim Goodweather's bioweapon initially helped stave off the vampiric creatures, they have evolved into a bigger threat to humanity than ever. Now, distraught over his kidnapped son, Eph teams with Dutch to search for signs of weakness in the strigoi.
