

Everyone Needs a Friend!

The need for a strong library is greater than ever. Attendance and use has jumped as demand for the services and resources offered by the library increases. The Friends make it possible to increase capacity to serve, but we can't do it without your continued support.

With the membership funds, we:

- Host an annual author visit
- Support summer reading programs
- Support the pre-literacy initiative: *1000 Books Before Kindergarten*
- Support other youth programming
- Augment the library budget for special expenditures such as Portable WiFi (Hotspots), microfilm and more.

Every membership level contributes to the success of our organization and the library.
