

Everyone Needs a Friend!

The need for a strong library is greater than ever. Attendance and use has jumped as demand for the services and resources offered by the library increases. The Friends make it possible to increase capacity to serve, but we can't do it without your continued support.

With the membership funds, we:

- Support summer reading programs for adults and youth
- Support pre-literacy initiatives
- Support adult and youth programming
- Augment the library budget for special expenditures such as Portable WiFi (Hotspots), microfilm and more.

Every membership level contributes to the success of our organization and the library.
