

## New Richmond Community Library & Residences Construction Update: 11/22/2024

### COMPLETED

Initial site excavation and soil compaction testing has been completed. Footings and the electric transformer pad are completed. Walls, columns, beams, and floor plank have been set on over 70% of the building, and the elevator shaft was recently set.

### IN-PROGRESS

Crews are continuing to set precast, caulk panel joints, and grout seams. Waterproofing will begin soon, followed by backfilling around the parking garage in early or mid-December.
